

Water is life, education is power

Improving Access to Clean and Safe Water in Rwabaganda village Gweri Parish Karambi Sub county Kabarole

Status: Completed

Project Partner: AGUA- ONG, SPAIN
Project Area: Rwabaganda village, Karambi sub county, Burahya county, Kabarole district Uganda
Project Duration: November, 2017–December, 2017

Aim:

The project aims to provide better access to safe drinking water, better sanitation and hygiene practices at the targeted community

Project Description:

Rehabilitation of a protected shallow well for Rwabaganda village located 15 km south of fort portal town in Burahya County, Kabarole district Uganda. This village had no well. The shallow well they had has been not in function for over 15 yrs. The community has been collecting water from a dirty source and sharing the same source with animals which is a great risk to people health.

Water well before construction

Locals collecting dirty water

Locals await water collection

Water is life, education is power

Project Outputs

- Mass awareness on health, hygiene and water & sanitation issues
- Organized campaign on household water treatment and safe storage system.
- Construction of a long lasting protected Shallow well supplying clean and safe water.

children collecting water from the new constructed shallow well in gweri.
